Call for Papers

Journal of Public Affairs and Change aims to provide researchers and the academy a forum to develop a body of knowledge on public affairs. The bi-annual journal will publish articles, reviews, case studies, viewpoints and research results from practitioners of all professions, academics, and other specialists. It will encompass a broad range of theoretical, empirical and methodological topics. We will publish both invited articles on special topics and manuscripts submitted to the editors for peer review. Articles will be assessed on topic suitability, originality, strength of scholarship, and cogency of argument.
