ABOUT ARISE PROGRAM :

Dear Friends & Colleagues,

It is our privilege to welcome you to 24th ARISE (Anesthesia Related Integrated Short Education) program on 13th September, Sunday. This time, we are conducting CME on **"Anesthesia Considerations For Endocrine Diseases"**.

We all know that diabetes is emerging as an epidemic in these days and we also face the disease in our routine and specialized anaesthesia management. We should have indepth knowledge of endocrine diseases & their impact on our anaesthesia management. We will get guidelines and evidence based management plans for these diseases from our esteemed faculties.
