ABOUT ARISE PROGRAM :

It is our privilege to welcome you to 22nd ARISE (Advanced Research in Stock Education) program on 23th Feb, 2025. This time, we are conducting CME on "GENERATION OF SECOND INCOME FROM STOCK MARKET".

In the last decade, innovations and technological advancements have significantly transformed stock market practices, from algorithmic trading to AI-based predictive analysis. Precision and real-time data insights have revolutionized investment decisions, providing smarter tools for traders and investors. With market volatility and dynamic economic shifts, there is an ever-growing demand to improve portfolio management strategies to achieve better financial outcomes

We look forward to an enjoyable and informative experience!"
