Message from Chairman

Dear Students,

At MPUH, we are organizing a crash course for preparation of urology practical exams for DrNB / MCh from 27th October– 1st November 2026.

It is observed that; many students are apprehensive of appearing for practical exams. Appearing & scoring in practical exam is an art, which needs to be learnt. Students with good knowledge may not do well & some students with average knowledge may do very well. This is not because of “luck” factor but due to understanding or not understanding the knack of appearing for practical exam. In this crash course, apart from imparting knowledge, we shall give stress on tips & tricks of appearing for practical exams.

We have organized such crash course in past – feedback from the students have encouraged us to do same again. This course will be for 6 days – **Starting from Tuesday by 1.30 pm till Sunday 1.30 pm. So you can plan your travel accordingly.** In this crash course, we will cover all aspects of practical exams. Focus will be to prepare you for the practical exam. We hope to start in morning at 8 am & plan to go on till 8 pm. Most students will get opportunity to take part in discussion. Adequate time will be given to ask questions & get your doubts cleared.

Faculty will be local as well as some invited faculty who are the current examiners for DrNB / MCh. After the course, we hope that you should be able to appear confidently for practical exams.

Since we want to give chance to every candidate to speak & take part in discussion, we want to keep group small. So obviously, number will be limited. Registration will be strictly on first come first serve basis. So, if you are interested in attending, please register early.

Registration fees will be Rs. 10000+GST (Rs 11800). This will include all 6 days – breakfast, Tea, coffee, snacks, lunch & dinners. Venue will be JPAC auditorium. There are several hotels & homestay facilities in the vicinity of the hospital. Details are given in the brochure. You can directly contact the hotel & book the accommodation or contact our travel agent given in the brochure. Nadiad is main station enroute to Ahmedabad bound trains. Nearby airports are Ahmedabad or Vadodara – both are 60 km away from Nadiad. In December weather will be pleasantly cool & may need light warm clothing especially at night.

At MPUH we are committed for teaching & training as our motto is “Enter to Learn & Exit to Serve”. We shall make sure that, your stay here will be fruitful & comfortable.

Thank you,

Dr. R.B.Sabnis
Chairman, HOD, Urology dept,
MPUH, Nadiad

Highlight of the Program

- Cases presentations – there are about 30 cases – which will be discussed in details. All varieties will be kept. So that any question related to the case, can be answered in exam. Adequate time will be given to ask any doubts, questions.
- Pathology specimens, – full range of specimens will be covered. & what can be asked related to that.
- Radiology – All common X-rays, CT scan will be discussed.
- Instruments – All instruments will be discussed in details – how to identify them, assembling, what questions can be asked
- Operative procedures – Steps of all common surgeries will be discussed – how to answer in exam.
- Research methodology – NBE has decided to ask questions related to statistics & research methodology in viva. Most students do not answer well. Adequate information will be given so that you can answer any common questions confidently.
- Recent advances – landmark latest trials, their outcome, what is new in each subspecialty will covered as this is also asked in exam.
- Short Lectures on relevant topics.
